"KEEP IN TOUCH"

1926 **Year Book** Nov.
15th

Yes, there's gladness in the memory of the
good friends we have met;
And there's pleasure living o'er again some
days we'll ne'er forget;
There's a solace in the knowledge that these
friends are ever true,
And you'll meet the world more bravely
when you know they think of you.

DIED AT MONTREAL, CANADA, SEPT. 18, 1926

AN APPRECIATION

He was a Soldier! During its fighting history, he was in command of the 46th Bn., and no battalion ever went into action more confident that everything that could be foreseen had been provided for. Consequently, he was respected, trusted and obeyed and the proud record of the fighting battalion which he commanded stands as evidence of the sterling qualities of our C.O.

It was not given to many who served under Col. Dawson to know the kindly, shy heart of the man, who concealed his sympathy under the mask of a stern discipline.

A MESSAGE FROM COL. SNELL

To the Members of the 46th Battalion Association:

My Dear Comrades:

It is a very real pleasure to be able in this way to again greet my old associates.

As one looks back to the days of organization, training and service in the field, there is very much of pleasure, sorrow, happiness and regret.

Of those of our members who fell, I like to think of those words from that famous Special Order of Sir Arthur Currie, of the 17th March, 1918:

To those who fall I say: "You will not die, but step into immortality. Your mothers will not lament your fate, but will be proud to have borne such sons. Your names will be revered for ever and ever by your grateful country and God will take you unto Himself."

Theirs was a gallant part and their end a fitting one.

To those who remain, after the passing of the war clouds, should come the realization of a duty well done and a determination to carry into the coming days, those fine standards of unselfishness, self-discipline, courage in the face of all conditions, sincerity of purpose, and that delightful comradeship which so much compensated for the many discomforts.

May it be our part to play some useful role in the daily life of this great nation during the days of peace as all so faithfully played during the days of conflict, and so, in some way, because of what has come to us of good from our past experiences, the Canada which we shall pass on to those who come after us may reflect those guiding principles which alone exalteth a nation.

I cannot let the occasion pass without expressing a deep sense of loss in the death of Colonel H. J. Dawson. He who so ably led the glorious Forty-sixth through most of its fighting days, has passed on forever. The memory of his unselfish devotion, his keen and efficient mind, and his gallant and gentlemanly qualities, will ever remain a pleasant memory with the writer, and with all those who were privileged to know him.

To all my old comrades, of all ranks, I extend my warmest regards and sincere good wishes.

Faithfully yours,

HERBERT SNELL

Montreal, Sixth October, 1926.

SECRETARY'S REPORT

Gentlemen:

In presenting to you the annual report for our booklet I first of all wish to thank all the members for their hearty co-operation in making our Association such a great success. Our membership, which one year ago was around one hundred and seventy-five, is now approaching double that number, and this has only been achieved by the untiring efforts of your executive. On another page in this booklet you shall see extracts from letters received, showing what some of the boys think of the "Keep-in-Touch" movement.

Great credit for the success of our Association is due to Ed. Borgman, who acted as chairman of the Executive during the first fifteen months in which the movement saw the light of day, and secondly, to Doctor Bayly, who has acted faithfully in the Executive from the start, and since February 1, 1926, has been our President. Last, and by no means least, to C. L. "Wax" Coggon, is due great praise for the perfect system which is used in keeping track of members and non-members. This work has taken many, many hours to complete and is of the greatest help in our "Keep-in-Touch" movement. A vote of thanks was passed to "Wax" by the executive, after our last banquet, which was such a huge success, and carried out under his orders.

At Christmas time, a card (facsimile of our field P.C.) with Christmas greetings, was sent to all members of our Association and to many who have since enlisted.

The annual meeting of the Association was held during the evening of our last Re-Union. A resolution was passed requesting the executive to carry on and giving them power to add to their numbers. Since then, George Tomlinson, J. L. Bryant and Chas. Hislop have been added, bringing the executive to twelve members.

Two very important resolutions were passed at that meeting: one about Battalion Colors and History, and another in reference to a foot-stone to be placed at the foot of graves of ex-members of the battalion who go West. The former is dealt with by Lieut.-Col. "Jock" Rankin, and the latter by C. A. Hislop, on another page in this booklet.

Since the banquet we have sent out at least one thousand letters to ex-members of the battalion, trying to induce them to become members of our Association, and although we have enlarged our roll call, we would be well over five hundred had our

letters received a little more attention. If there are ex-members near you, use your influence to secure their membership. It is your Association. Let our slogan during the next year be **"Every Member A New Member."**

The dues are reasonable, and to make a success, we need your dollar each year, and when you receive your letter about the annual dinner, if you cannot be there, let us hear from you to that effect and enclose your dues, \$1.00, for the Association. We sent out five hundred announcements for our last annual dinner and less than twenty-five replied and one hundred and forty turned up. Help us make the annual dinner a success by replying to the announcement.

Look over the roll call carefully and see how our members are scattered over Canada and the United States. Our Association is one of which we should be very proud. It was the first of its kind and we do not hesitate to say that it is by far the greatest Association of the Overseas Units. There are members in 138 towns, cities and villages throughout North America. Can you realize the amount of work in securing these members? The Executive enjoyed the work and all we ask for in return is your very earnest support.

Finances are in good shape, but there are still a few dollars which are unpaid for 1926.

Items of interest to the boys are welcomed and any help you can give us for a better booklet will be greatly appreciated.

CEC. CLARKE,
Secretary K.I.T. Association

7th ANNUAL RE-UNION

Moose Jaw, Feb. 3, 1926

With C. A. Hislop as chairman and. Col. Rankin as toast-master, the 7th Re-Union was the most successful yet attempted. Glance over the list of members in this booklet and note the names marked with a *. They were all present. 140, all told, sat down to dinner at the Empress Hotel, taking their places on the sounding of "cook house," blown by "Shorty" Bond. Following the dinner and toasts the troops lined up outside and paraded to the Memorial in Crescent Park, where a wreath was planted, an appropriate address delivered by Rev. Major Dixon, and "Last Post" sounded by Bugler Bond. The party then returned to the hotel, where an extensive programme was carried out under the direction of Harry Hall.

C. L. COGGON

A MESSAGE FROM "JOCK"

Whether in the arena of sports, the Training Camps in Canada or England, or on the Battlefields of France and Belgium, the "Fighting Forty-Sixth" (or Suicide Bn.) held an unsullied record of solid service and achievement, and of duty done quietly, surely and effectively.

Its Esprit de Corps was at all times of the highest and the bonds of comradeship necessarily formed through association with the "Jam Label" Battalion can never be broken.

Though now demobilized for over seven years the old spirit remains intact amongst all the members who had the privilege of serving their King and Country, in the Battalion, but there is still work to be done in the way of suitably perpetuating the unit hereafter.

This can be best done through the "Keep-in-Touch" Association, which affords, through its organization, every member an opportunity of reviewing old friendships, of talking over old times and deeds, of seeing that no old comrade is neglected in life or after death, and of seeing that the records of the unit, and, as far as possible, of its members, are handed down to after generations.

Every man who ever wore a "Jam Label" should be a member.

J. S. RANKIN

LETTERS OF APPRECIATION

By R. H. K.

The following extracts, taken from letters written by our members, from east to west, show real interest in our Association and are very encouraging to our Executive, who surely need our moral, as well as financial support.

R. J. HOLMES, New York, U.S.A.—In thanking the Association for a copy of the Moose Jaw Evening Times, covering our last re-union, he says: "It gave me a thrill to read the names of the old 'gang' and I only wish I had been present to join in the fun."

(Col.) HERBERT SNELL, Montreal.—"When the new Booklet is out I hope you will send me one." (Here she is and no extra charge for the "severe rep. and one day's pay" you "gave" the writer at Sewell. The happiest day "Van" had in the army was that day, when he "pinched" me.)

REG. C. SINE, Stirling, Ont.—"I was delighted to receive your announcement of the organization of a 'Keep-in-Touch' Association for the old 46th."

DAVID A. WESTON, Detroit, U.S.A.—"I am very glad to know that such a club has been formed as that is the only way one would be able to 'Keep in Touch' with old comrades. Wishing the Association every success—"

BERT COOPER, Winnipeg—Although Bert was drafted to the 13th in 1916, he wishes to "Keep in Touch" with the old gang and has joined up.

P. V. SHAW, Fort Whyte, Man.—"I sure would like to 'Keep in Touch' with the boys and often wonder where they are."

F. G. HERBERT, Radville, Sask.—"I am very much interested in the Association and what it stands for."

C. J. HUTCHINGS, Calgary, Alta.—"Wishing you every success." Sends in four names of 46th boys and says: "Will send you any further names of 46th boys I run across."

C. J. LENNOX (Major) Vancouver—"I really believe the 'Keep-in-Touch' Association is a first-class idea and trust that the highest hopes of us all in connection with it will be fully realized."

G. ROY JACKSON, Vancouver—We did not have his address but he wrote in that he "heard about us in Vancouver" and would like to know all about it, and so anxious was he to "Keep in Touch" that he enclosed a two-spot in this letter.

(Major) MILTON FRANCIS, Port Arthur, Ont.—"You may

take it for granted that I will be glad to do everything I possibly can to further the interests of the "Keep-in-Touch" Association." (Wonder if the Major remembers the Brigade Camp he was O.C. of, and the writer, Q.M.S., at the Bramshott rifle ranges in June, 1916.)

Many other letters contain similar remarks but let everybody write their appreciation of the Executive's work for there is an awful lot of it.

NEWS ITEMS OF INTEREST

(Addresses of any of the boys here mentioned will be found in the nominal roll)

Earl Badger & Co.—Throw out your chests, boys, for our own Earl is the Cham-peen cornet player of Canada. After capturing the Saskatchewan Gold Medal, Earl went to Toronto with the G.W.V.A. Band of Moose Jaw, and there won the Canadian Championship. Congratulations to Earl, also to Matt. Ashworth and Geo. Dewey, who played with the above band in Toronto, when Moose Jaw was put on the Canadian musical map in large, black letters. We have reason to be proud of them.

Harry Van Norman—"Van" writes that he expects to leave the West about Nov. 11, for Orillia, Ont., where he will spend three months at his old home. On his return he hopes to take in our re-union. It is to be hoped that "Van" doesn't dream, on the train, that said train is the C.A.S.C. transport the 46th had "Car-berry Day," and bawl the crew out with the language I heard him shower on the C.A.S.C. that day.

Harry Gracie—Harry was one of the "Lucky Scotchmen" or the 46th who was drafted to a battalion where he could wear his national dress, the 16th Canadian Scottish, and, believe me, he cut some style in the kilts, but he hasn't forgotten his first love, for he joined our Association, and in a recent letter sent "Regards to all the boys."

Bill Chapman—We thought we were honored in having Bill's verse on our stationery, but Bill writes in that he is the honored one. We still stick to it that we are.

Speaking of a letter, giving particulars of our Association, that he received, Bill says: "It gave me a thrill, I can tell you, when I received it, and I spent a real good evening with it before me, revelling in memories of old times, old places, and good old faces." (Here's hoping he gets an extra kick out of this Booklet.)

Jim Brunton—That is as we knew him, but in future we must say "Doctor Jim," for he was hatched a full-fledged M.D. in May, 1926. We congratulate Jim, and hope he will eventually be a top-ranger in the medical profession. Sweet revenge for him would be to make "Doc." Bayly eat some No. 9's, a la Sewell Camp days.

George Tomlinson has left the select class of the 46th and gone one step higher. The second pair of twins, a King and Queen (as he calls them) arrived Saturday, Nov. 6th. Congratulations, George.

Said Loy Sifton to a waitress bold:

"See here, young lady, my cocoa is cold."

She scornfully answered: "I can't help that,

"If the blame thing is chilly, put on your hat."

"Tony" Anderson asked a number of the old boys up to his room one night to do a little Association work. "Doc." Bayly phoned that he wouldn't be up as he had a case of measles. "Tony" said: "Bring it up, 'Doc.' I drink anything."

I wonder if Frank Warren remembers the night at Wavre when he won 197 francs—and lost it again.

"Cec." Clarke and "Wax" Coggon, working on this booklet—

"Cec."—"I'm never happy unless I'm breaking into song."

"Wax"—"If you got the key, you wouldn't have to break in."

(I called "Picket" and the work proceeded.) —R.H.K.

"Bill" Reade—"Where's the wife?"

"Holly" Hollingdale—"Gone to the West Indies."

"Bill"—"Jamaica?"

"Holly"—"Ell, no! 'Ser own idea."

Fleas in Father's Pants

The above heading appeared in a prominent paper the day after a girl eloped in her father's clothes.

Ex-46th Hero—"I paid the doctor some more money on our bill, today."

Ex-Hero's Wife—"Hurrah! Two more payments and the baby is ours."

THE PRESIDENT'S MESSAGE

Dear Comrades:

Another year has passed and most of us have survived, but we certainly have had some losses which are deeply to be regretted. This little booklet is to let you all know what has occurred amongst us during the past year and how our comrades are increasing.

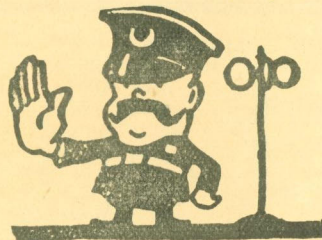

It is hard to get in touch with all, but week by week we are hearing from our comrades. If we will all pull together there is no reason we cannot attain a thousand members.

Hoping the present year will be surpassed by the next and with best Christmas and New Year wishes, I am,

Yours truly,

B. M. BAYLY,

President

Our latest picture
of "Tosh," from
Medicine Hat

"Van" says a flapper is a girl who says: "Clothes, I'm going down town. If you're coming, hang on."

Allan Rorison (to witness)—"When did the robbery occur?"

Witness—"I think——"

"Rori." (butts in)—"We don't care what you think. We want to know what you know."

Witness—"I may as well get down, for I can't talk without thinking. I'm no lawyer."

PROPOSED FOOTSTONE MEMORIAL

Committee's Report

At the 6th Annual Re-Union, held in Regina in February, 1925, the Executive of the K.I.T. Association was requested to investigate and bring in a report at the following annual dinner regarding a suitable memorial for the 46th Battalion. After discussing all the proposals put forth the executive decided that the most fitting memorial would be a footstone placed on the graves of all members of the 46th Battalion "going West," the cost of same to be borne jointly by the 46th Battalion funds and the K.I.T. Association.

The above recommendation was put before the meeting at the 7th Annual Re-Union and received practically the unanimous support of all present, and a committee consisting of C. A. Hislop, J. L. Bryant, Geo. Tomlinson and E. M. Thomson were appointed to get in touch with the trustees of the Battalion funds to get their support in carrying out the wishes of the members of the Association.

Our committee is in touch with the Trustees of the 46th Battalion funds and things seem to be working out nicely for an amiable solution of the proposed Footstone Memorial.

The Footstone Memorial for all members "going West," which was discussed and passed by the last annual meeting, is looked upon very favorably by the Trustees.

Up to the present we have been unable to arrange a meeting with the Trustees, they being so widely separated, but this we hope to accomplish shortly and can promise you a final report when we see you at the annual Banquet in Regina, the first week in February.

I might mention that we have received many words of praise for this memorial from members who were unable to attend the last re-union and I am sorry not to have the final report ready as I know it is being looked for by all.

(Signed) C. A. HISLOP,

Moose Jaw, Oct. 15, 1926.

Chairman of Committee

"Handy" Handegord—"Her niece is quite good looking."

"Dusty" Rhodes (school principal)—"Don't say 'knees is,' say 'knees are.'"

REPORT OF COMMITTEE ON BATTALION HISTORY AND COLORS

Regina, November 20th, 1926

Dear Comrades:

Sorry our committee are unable to give you a full report re Battalion colors and history at the present moment, but you can count on a satisfactory report at the re-union in February.

We are in possession of the Battalion War Diary and hope to be able to complete arrangements for writing History in the near future.

Yours truly,

(Signed) J. S. RANKIN.

Committee:—J. S. Rankin, Regina; Robt. Crowe, Regina;
Dr. McDougall, Regina.

Fred Kent says an optimist is a bow-legged fellow who is thankful he isn't cross-eyed.

J. L. Bryant entered his client's cell, and said cheerfully: "Well, good news at last."

Client—"A reprieve?"

"J.L."—"No, but your uncle died and left you \$5,000.00, so you can go to the gallows with the satisfied feeling that the noble efforts of your lawyer, in your behalf, will not go unrewarded."

Roy Campbell (visiting "Red")—"Do you like Kipling?"

"Red" Campbell—"Hell, man, I have no time on the farm to play kipple!"

"Spy" Spidell says: "Many are called but few hold a pat hand."

Sweet Young Lady (tag day)—"Pardon me; would you like to help the Working Girls' Home?"

"Nobby" Hall—"Sure thing; where are they?"

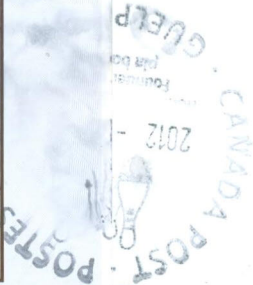

What's the difference between driving mules and driving a Ford truck?

Ask Bill Milne.

The nearest town was

I will mail this off to you Wed. - I believe Bert's dad went by "Ted" (Edward). My husband was a midupper gunner on Lincs in WWII & altho had the exact same name, went by "Hub" to his aircrew. After 36 ops, he was only 19 & 1/2 when the war ended, so was the youngest of the crew & last to pass away. Funny - my maiden name was "Lawton"! Regards, Margaret

Margaret:

There is only one (1) soldier by the name "Hubert E. (Edward) Barker" that enlisted to the Canadian Expeditionary Force so I would have to assume this is your late husband's father:

<http://data2.archives.ca/cef/well2/227496a.gif>

His service number 426435 is a match to the 46th Battalion as stated on his attestation papers.

If that is the correct Hubert E. Barker then I can confirm that his name is shown on the Nominal Roll of the 46th Battalion 1st Reinforcing Draft. He might have enlisted with a cousin as the next number is a similar name, also from Craig Saskatchewan.

Those nominal rolls are on the shared MediaFire site of the CEFSG (Canadian Expeditionary Force Study Group).

<http://www.mediafire.com/view/?0lrnbikt4wo>

If you want to know more, let me know. If you want to send me the book I will scan it and add it to the Internet Archives.

Please advise.

in going thru my late husband's papers I found this 24 page Year Book that must have belonged to HIS late father who was in the Great War (altho Hubert E. Barker does not appear in the Nominal Roll listing). Please advise if there is anyone who might be interested in receiving this relic. Regards
